PRODUCT TECHNICAL DATA

PRODUCT FEATURES:

Will Not Wash Away Or Dry Out
Highly Concentrated White Grease
Excellent Resistance To Heat
No Chlorinated Solvents Or Hexane

DESCRIPTION:

GreaseABull is a highly-concentrated, all-weather, heavy-duty, multi-purpose, water-resistant spray grease for anything that squeaks, sticks or rusts. It leaves a long-lasting film with excellent resistance to heat. It is exceptional for automotive, marine, industrial, and home uses.

USES:

AUTOMOTIVE: Use on accelerator linkage, bearings, brake service linkage, radio antenna, cams, gears, hinges, hood locks, door locks, springs, striker plates, window regulators, all body hardware. **MARINE:** Excellent for general marine use because of high resistance to rusting and corrosive action. **INDUSTRIAL:** Cams and slides, chains, couplings, plain bearings, open gears (small), forklift truck masts. **HOME & OFFICE:** Use wherever metal meets metal. Windows, garage doors, hinges, faucets, lawn mowers, bicycles, toys, garden and household tools, fishing reels, guns, filing cabinets, office equipment, etc.
