Product Information

This Heavy Duty and amazing new visor strobe system from RSL uses White and Amber Hi power LED recessed in a stealth case that fits using your existing sun visor brackets and clips. The suction cup mounts provide additional support and positioning capabilities. Over 15+ patterns all you to select SAE CLASS 1, 2 or 3 patterns as well as other patterns that are outside the SAE classes. It comes with a long run of cable for installation with a cigarette lighter 12 volt socket power connector which has two buttons on it for on/off, and for momentary pattern selection.
