- Fast and easy, the Blue Cobra truck tire demounting tool is strong but economical and offers a golden value for tire changing
- Quickly demount nearly any 20", 22.5" and 24.5" tube-type and tubeless truck tires, up to a 13" wide wheel
- Ergonomic shaped steel handle with no-slip grip for optimum leverage while reducing back injuries
- Solid steel Cobra head is press-fit into the steel handle—no fasteners to loosen or fall out
- Allows demounting of the tire without lifting the entire wheel and tire off the ground—reduces back injuries
- Made of durable high-quality steel—won't prematurely wear out like tools made of brass or bronze
- Aluminum bead support to grab the top bead of Super Single and Super Wide tires
- 2 heavy-duty nylon rollers are easily replaced when worn, kit #35441 includes two rollers and two roll pins
- When used with Ken-Tool's patented leather wheel protector #31810, it won't scratch painted, aluminum and alloy wheels like competitive tools tend to do. Included!
- 54" long, 22-lbs; boxed and UPS shippable
