

ProGlo[®]

25ft 2 Gauge Battery Booster Cable Sets

Never be stalled with a dead battery! Our Pro Glo Battery Booster cables guarantee quick starts when jump starting drained batteries in cars, trucks and other vehicles.

FEATURES

- Rubber jacket guarantees flexibility in temperatures well below freezing.
- Tangle free, twin line construction for ease of use.
- 400 AMP heavy duty clamps and 900AMP 100% copper direct contact jaws will not heat up during engine cranking.*
- "Sure Grip" ergonomically designed handles minimize slipping even when wet or dirty.
- Triple polarity identification prevents reverse polarity accidents.
- Clamps on to all top and side post batteries for a universal fit.
- All Booster Cable sets come with an extra large, heavy duty ballistic nylon zippered case for easy storage and transport.

*900A 100% Copper Clamps available in 1GA and 1/O sizes only
