

Avenger® II Series

Self-Contained Super-LED® Dash Light

With their compact and inconspicuous design, Whelen's all-new Avenger II dash lights are simple to transfer from vehicle to vehicle. Newly designed combination Linear/TIR optics provide high intensity warning and illumination and a smaller profile maximizes space for optimal versatility. The Avenger II builds on the Avenger's reputation for excellent functionality and efficiency.

FEATURES

- SAE Class 1 Certified
- Available in single or dual models
- Available in SOLO™ (single color), DUO™ (two color), and TRIO™ (three color) models
- Universal swivel bracket with three suction cups will fit the contour of any windshield or can be used for permanent mount
- Black polycarbonate housing
